**MECA SELECTS OAK VIEW GROUP FACILITIES TO STRENGTHEN  
BOOKINGS AND MARKETING, ESTABLISH NEW NATIONAL  
SPONSORSHIPS AND INCREASE PREMIUM SEATING SALES FOR  
THE CHI HEALTH CENTER OMAHA**

***OAK VIEW GROUP FACILITIES GIVES CHI HEALTH CENTER OMAHA A  
NATIONAL VOICE***

**OMAHA, Neb. (September 24, 2018)** – The Metropolitan Entertainment & Convention Authority (MECA) today unanimously approved a long-term partnership with Oak View Group Facilities to increase bookings, enhance marketing and create new sponsorship/premium sales opportunities for the CHI Health Center Omaha. Oak View Group Facilities specializes in providing premium content and streamlining venue operations for its clients.

“Oak View Group Facilities is the perfect partner to help us further achieve our goals of attracting high-quality events to the region,” said Roger Dixon, President & CEO of MECA. “Oak View Group is an experienced team with extensive resources, contacts, and knowledge of our industry, giving us a competitive edge in Omaha.”

“Oak View Group becomes an advocate for our city and our facility,” added Dixon. “With an on-going presence in all three of the entertainment meccas – LA, New York, and Nashville – Oak View Group gives CHI Health Center Omaha a voice we wouldn’t have otherwise. Oak View Group regularly conducts meetings with agents, managers, and promoters, and will ensure tours route through Omaha when coming through the central states. The Oak View Group will make CHI Health Center Omaha a priority play in the Midwest.”

“We will also rely heavily on Oak View Group’s Global Partnership division to create new, revenue-generating ideas that attract national partnerships,” added Dixon.

“MECA has done an outstanding job in operating the CHI Health Center Omaha, as it is one of the top performing arenas in the Midwest,” said Peter Luukko, Chairman, Oak View Group Facilities. “We are excited to partner with Roger and MECA in identifying new and exciting opportunities for the region.”

Oak View Group Facilities has helped Rupp Arena in Lexington, KY increase bookings more than 100 percent over last year, including shows with Justin Timberlake and Paul McCartney. Additionally, Oak View Group's Global Partnership team recently helped the Portland Trailblazers (National Basketball Association) secure a national sponsorship with Performance Health for Biofreeze to be on the team's uniforms.

Oak View Group Facilities, a division of the Oak View Group, which was founded by Irving Azoff, Tim Leiweke, with Madison Square Garden Entertainment and supported by Silverlake, specializes in event programming, venue assessments, security and emergency preparedness. Oak View Group Facilities can also provide full management services for arenas, stadiums, convention centers and performing arts centers.

Oak View Group will activate its other divisions to help deliver unprecedented results in Omaha. Global Partners will be instrumental in realizing new sponsorship and sales opportunities, and the Arena Alliance's resources will offer an extension to content and opportunities to which CHI Health Center Omaha previously did not have access. CHI Health Center Omaha can lean on Oak View Group's Arena Alliance to gain insight on best practices and tools to maximize event revenue. Currently, 28 of North America's top performing arenas, 15 National Basketball Association teams, and 18 National Hockey League teams comprise Oak View Group's Arena Alliance.

CHI Health Center Omaha is consistently recognized on a global scale. The October 2017 edition of Pollstar, a concert industry trade publication which is owned by Oak View Group, ranked CHI Health Center Omaha 53rd worldwide in arena ticket sales. Also in 2017, the website Buzz Feed declared CHI Health Center Omaha the "most Instagrammed location" in the entire state of Nebraska.

CHI Health Center Omaha is home court for Creighton men's Big East basketball games. It also hosts the annual Berkshire Hathaway shareholders meeting, which welcomes thousands of people from across the world. Additionally, every four years the arena converts into a competition pool for the U.S. Olympic Swimming Trials.

### **About Us**

The Metropolitan Entertainment & Convention Authority (MECA) is a 501(c) (3) non-profit organization that builds and manages public event venues in Omaha, Nebraska. The formal operations of MECA commenced on August 25, 2000 with the signing of a 99-year Lease and Development Agreement with the City of Omaha. The cost to build CHI Health Center Omaha was \$291 million, funded through a public-private arrangement. The private sector contributed \$75 million and the public sector contributed \$216 million. CHI Health Center Omaha opened in 2003.

In consideration of this unprecedented level of private support for a public arena, the 99-year agreement assigned MECA to operate the Facilities at its discretion exclusively. MECA is governed by a board of five appointed, independent directors and managed by a dedicated management team. Board members are appointed by the City of Omaha with appointments rotating between the City Council and the Mayor.

Another public-private arrangement was completed to create a new home for the College World Series. In 2009, MECA broke ground on TD Ameritrade Park Omaha, which opened in 2011. The stadium is home to the NCAA Division I Men's College World Series, the Creighton Bluejays men's baseball team, and host to numerous other events.
