Ticket On-Sale Information

If 12 or more guests are at the CHI Health Center Omaha Box Office waiting to purchase tickets at the time of the initial Box Office On-Sale, a lottery will be held to form the line.

The lottery system has been in place since CHI Health Center Omaha first opened to provide the fairest ticket sales process possible to all guests. By removing the incentive for guests to arrive early, the lottery saves guests time and significantly decreases the chance for scalpers to be the first in line. Scalpers have historically paid people to arrive hours before a sale in order to ensure a space at the front of the line.

Thirty minutes before tickets go on sale, each person in line over the age of sixteen will be assigned a number. That number will also be put into a box. A CHI Health Center Omaha team member will then randomly draw a number from the box.

The person holding that number becomes the first person in line. The remaining guests will fall in line behind according to their number. For example, if number 5 is drawn, the person assigned number 5 becomes the first in line, followed by the persons assigned 6, 7, 8 and so forth. This continues until the highest number originally handed out is reached. After that, the person assigned number 1 will join the line, followed by the remaining people in the order of the numbers they are holding with the person having 4 becoming the last in line. Anyone who arrives after the lottery numbers are handed out would join the line behind the last person holding a lottery number.

Ticket Scalping

CHI Health Center Omaha strictly prohibits ticket scalping and the resale of tickets on the premises. According to the City of Omaha Municipal Code Sec. 20-162 states: "It shall be unlawful for any person to resell or attempt to resell a ticket to an event to be held at the Orpheum Theater, or the CHI Health Center Omaha for an amount greater than the face value printed on such ticket on the grounds of such facilities or within a one-half-mile radius of each such facility."

Ticketmaster is the only authorized ticketing agent of CHI Health Center Omaha. If you purchase tickets from an unauthorized agent in the secondary market (Scalper, Ticket Broker, etc) you risk purchasing counterfeit or invalid tickets.

Public Tours of CHI Health Center Omaha are available for a fee during non-event days. Tours must be booked at least 3 weeks in advance. Please contact MECA at 402.341.1500 or email info@omahameca.com to arrange a tour. Visit [Tour Information](#) for more details.
