They are not guaranteed a seat and may be required to sit on a parent's lap. Children 3 and over must have a ticket. For shows intended for a family audience, please check the event details page for specific ticket requirements for children.

Ticket On-Sale Lottery

To ensure a fair and equitable ticket sales process, CHI Health Center Omaha implements a lottery system when 12 or more guests are waiting to purchase tickets at the time of the initial Box Office on-sale. This system has been in place since the venue's opening to

eliminate the incentive for guests to arrive early, saving them time while reducing the chances of scalpers securing tickets. Scalpers have historically paid individuals to arrive hours in advance to gain prime spots in line.

Here's how the lottery works:

- Thirty minutes before the sale begins, each guest over the age of sixteen will be assigned a number.
- These numbers are placed into a box, and a CHI Health Center Omaha team member will randomly draw a number.
- The guest with the drawn number will be the first in line, followed by others in ascending order.
- For example, if number 5 is drawn, the person with that number will be first, followed by those with numbers 6, 7, 8, etc., until the highest number is reached.
- Once the highest number is reached, the person with number 1 will join the line, followed by the remaining guests in numerical order.
- Anyone who arrives after the lottery numbers have been handed out will join the line behind the last person holding a lottery number.

This process is designed to create a more efficient and fair system for all guests.

Ticket Scalping

CHI Health Center Omaha strictly enforces a no-tolerance policy on ticket scalping and the resale of tickets within its premises. In accordance with the City of Omaha Municipal Code Sec. 20-162, it is unlawful to resell or attempt to resell a ticket for an amount greater than its face value at the CHI Health Center Omaha or within a one-half-mile radius of the venue.

Ticketmaster is the sole authorized ticketing agent for CHI Health Center Omaha. Purchasing tickets from unauthorized sources, such as scalpers or ticket brokers, exposes you to the risk of receiving counterfeit or invalid tickets. To ensure you are purchasing legitimate tickets, always use Ticketmaster or an official CHI Health Center Omaha outlet.
